

SUMMER WEEKLY RIDING CAMPS AT BOULDER CREEK

Riding Camp at Boulder Creek is tailored to your child's previous horse experience. If your child has no previous horse experience or interaction, don't worry! On Day 1 of camp, our instructors will take time with your child to get to know them and match them to a suitable horse, so they have a fun and fantastic experience.

During the Riding Camp, we cover everything from horse safety and grooming to riding basics and other riding skills. We also take time for games that further enhance the newly learned riding skills while still encouraging the riders to keep improving while having fun. **Camp is about fun and that is one thing that Camp Boulder Creek has as a top priority, right next to safety and learning.**

We also encourage group support. Group encouragement and support are great assets when trying something new or stepping up your difficulty level to something more advanced. If your child is not yet comfortable doing something first off, we will build them up until they are comfortable.

Riders are required to wear long pants (that cover the ankles), and close toed shoes. Remember to wear old clothes as you don't want to dirty up your school clothes.

CLYDESDALE CAMP

Our Clydesdale Camp is fun for all ages! The Clydesdale is a very friendly breed that loves people and loves to have fun! You will get the opportunity to spend time learning about caring for these special animals, how to put on a harness, go for a ride in a cart and learn to drive. Camp cost is \$40 per attendee. Family discount of \$10 off for additional attendees from the same family.
